"We want say "thank you" for helping make our bank meeting such a huge success! Details were executed perfectly, the food was delicious (perhaps the best lobster rolls we've ever had). Your facility matched our needs completely and of course the setting was spectacular."

"I just wanted to write and let you know how much our family enjoyed Gramma's 80th birthday dinner at The Inn. We were warmly greeted and promptly seated on the porch by your staff. It was a lovely memorable evening. We will definitely be back at The Inn on Peaks Island!"

"Just got home and cleaning up the email! I wanted to tell you again the wait staff and foods were terrific. I was super happy to see the room improved from last year; it made our visit to The Inn comfortable and left plenty of room for the kids. We will be sure to visit Portland again and suggest your Inn as a place to visit. Thanks again for all you and your staff did to make my job a whole lot easier!"

"Thank you for hosting our group for a wonderful resident outing. Our server was very attentive and very helpful. It's not easy to please a group of seniors but we all left with smiles on our faces!"

"I just want to thank you very much for helping make Chad & Courtney's rehearsal dinner a success. The food was wonderful and so was the room! The whole experience was great—we will be back for dinner again."

"Thank you for agreeing to host the recent sales and marketing meeting at the beautiful Inn on Peaks Island. Your establishment made for a picturesque setting and was certainly a draw. Your gracious hospitality, delicious luncheon and flexibility relative to our guest list and timing of the meal/meeting truly made our event a success!"
